

Learning together-Reception Spring Term

We will be continuing our topic of Traditional Tales

In Literacy we will be

- Reading the story of 'The Little Red Hen' and 'Goldilocks and the Three Bears'.
- We will be drawing story maps and writing parts of the stories, using our knowledge of sounds to write unfamiliar words and sentences.
- We will be reading recipes and making porridge and bread.
- We will be visiting Teeny Town role play centre, where we will have the opportunity to dress up in a range of costumes and explore different settings. Including a hairdressers, supermarket and builders yard.
- We will be writing about our visit and sharing our writing with the local pre-school setting.

In Maths we will be

- Counting aloud from any given number up to 20.
- Learning about the term 'sharing' and will be using resources to share resources fairly.
- We will be recording what we have done using pictures and numbers.
- We will be finding about the word 'half' and finding half of items such as cakes, pizzas and shapes.

What can we do to help as parents?

- Encourage children to retell familiar stories from memory, using story language such as once upon a time.
- Encourage children to read at home regularly, then they will be rewarded with coins to spend in the reading shop.

Good news from home

We have really enjoyed receiving photographs and notes from parents sharing good news from home. If your child does something that you are particularly proud of then please feel free to bring in a photograph or a note from home. This can then be shared with the class and put into your child's learning journey.

Back by popular demand

Show and tell will be taking place **every Friday**. The children will have the opportunity to bring in a toy/photograph or something special from home to show their friends and talk about. Please remember objects need to be small enough to fit into children's book bags. We will also be writing sentences about our toys.
