Dear Parent/Carer

## Introducing – Studybugs!

We are pleased to announce that over the next few weeks we will be moving to using Studybugs for all school-parent messaging. Studybugs will replace our current messaging/email system (MyED).

Our aim is to make it easier for you and school to communicate using a cost and time effective app which is easily accessible for all.

We will use Studybugs to email all letters, messages about your child, absence reports and more. Please download the Studybugs mobile app in order to receive in app messages.

If you do not have the Studybugs app messages will be sent via email. Parents/carers (with priority 1 contact) can use the app to send instant messages to the school at no charge to either parent or school.

Studybugs works best if you have the free app. So if you haven't already, please download the free app or register on the Studybugs website: <https://studybugs.com/about/parents>

If you have any questions regarding the above, please email the address at the top of this letter.

Yours sincerely

H J Payne  
Headteacher
