Wednesday 27th April 2022

Dear Parent/Carer

Platinum Jubilee Celebrations

70 years on the throne is something to celebrate and in addition to the Family Picnic on Thursday 26th May 2022, we will, in school, acknowledge some of the key moments during the Queen's reign. In particular we will consider some of the changes that have occurred whilst the Queen has been on the throne – seven decades of change! This work will be done, in school, leading up to the Family Picnic.

In addition to work in school, we would like children (and their family members) to get involved in our celebration of history. We ask that children bring in a piece of memorabilia from one the last seven decades. We want the item to mean something special to the family. It doesn't have to have a royal theme – it just has to have a special memory for your child and/or family – it really could be anything.

To accompany the memorabilia item, we would like you, or your child, to write a short paragraph explaining why the item is special and the decade it comes from. An example would be:

Name: Joe Bloggs	Class: 4	Decade: 1960s
My piece of family history is from the 1960s. It is the first record my grandmother bought. It is called 'Love Me Do' by The Beatles.		

Children should bring their pieces of history into school from Monday 23rd May 2022 and will take them home after the Family Picnic on Thursday 26th May 2022. Children will be able to share their pieces of personal history with the rest of their class and if at all possible, we want to display the memorabilia for all the school to see.

If you have any questions regarding the above, please email the address at the top of this letter.

Yours sincerely

Mr H J Payne
Headteacher
